Together with our Brand Ambassadors, we are creating a culture that is truly enriching the lives of people around the world. To bring this vision into reality, Kannaway has established a generous and straightforward compensation plan that rewards our Brand Ambassadors!

THERE ARE 2 REQUIREMENTS TO EARN COMMISSIONS

Requirement 1:

Register to become a Kannaway Brand Ambassador (Independent Distributor) by enrolling online and paying the required Brand Ambassador fee.

- \$54.98/€47.80 annually

The Brand Ambassador fee will be debited annually on the annual anniversary date.

The Brand Ambassador fee includes:

- Administrative Support

Requirement 2:

Maintain the minimum Personal Volume (PV) required for your rank each month, either through customer sales or personal orders.

Disclaimer: In the Kannaway program, there is no purchase of product required to be a Brand Ambassador. The only required fee to become a Brand Ambassador is the Brand Ambassador fee. There are no commissions generated or paid on the Brand Ambassador fee. Kannaway only pays commissions from the sale of products, not from the recruitment of Brand Ambassadors.

As a Brand Ambassador (Independent Distributor), it's important to understand how you get paid. A portion of each sale generated within your organization may trigger one or more ways for you to earn commissions. As you read through this compensation explanation, you'll understand how you're rewarded in each area of the compensation plan.

It is important to understand that only qualified Brand Ambassadors earn commissions and in order to receive commission overrides on your group sales you will need to satisfy minimum personal sales requirement based on your rank. For further explanation see rank and pin levels below.

Kannaway Brand Ambassadors must be of 18 years or older to enroll.

KANNAWAY CUSTOMER SALES

Selling Kannaway products directly to customers builds a solid foundation for your Kannaway business. There are two ways to make direct customer sales:

- By purchasing and reselling Kannaway products in person
- Allowing customers to order through your replicated website link

When selling through the website in the second option, you are eligible to earn both retail commission as the difference between wholesale and retail AND direct sales commissions. Direct sales commissions for every retail order placed within the first 30 days will pay a 30% DSC, 15% Check Match, and 55% to monthly residual commissions. After the first 30 days, a 30% DSC will pay on every order, with the remaining 70% paid through monthly residual commissions. For example, if you sold a bottle of Pure Gold at retail price, \$187.99, you will be paid the difference between \$187.99 and \$155.99, coming out to \$32 PLUS the direct sales commission of 30% of CV, \$16.50.

When someone redeems a gift card on a retail purchase, the profit between the wholesale price and the retail price is reduced by the gift card amount. Direct sales commissions are paid on the following Friday from the week they are made, and residual sales commissions are paid on the 15th of the following month.

All customer sales are regarded as Personal Volume. There is no purchase of product required to be a Brand Ambassador. Personal volume requirements per rank can always be satisfied through the sale of product to either a retail customer or a preferred customer.

Kannaway Offers A Preferred Customer Program

Some customers prefer to have their orders shipped directly to them each month without having to hassle with remembering to place a new order, which is what we call Smart Ship at Kannaway. Customers who enroll in the Smart Ship program become Kannaway Preferred Customers. Registration in the Smart Ship program is FREE and as a Kannaway Preferred Customer they will have the ability to buy their Kannaway products at wholesale and even earn FREE product by referring other Customers in our **3 for FREE Program**.

The Kannaway Compensation Plan pays the Brand Ambassador that sells the Preferred Customer their product order placed within the first 30 days will pay a 30% DSC, 15% Check Match, and 55% to monthly residual commissions. After the first 30 days, a 30% DSC will pay on every order, with the remaining 70% paid through monthly residual commissions.

As a Kannaway Preferred Customer they will be given a secure back office account to track their order history and manage their Smart Ship Deliveries. Preferred Customers will also receive a FREE Kannaway website to refer customers to and have the opportunity to earn FREE product in the **3 for FREE Program**.

The 3 for FREE Program is simple. Preferred Customers and Brand Ambassadors can earn FREE product by referring 3 Kannaway customers. The amount of FREE product that can be earned is based on the average product orders of all their Kannaway customers referred, not to exceed the Brand Ambassador or Preferred Customers Smart Ship order during the earned month.

For example: If the Brand Ambassador or Preferred Customer's average product orders equal 55 BV (Business Volume) and the Brand Ambassador or Preferred Customers Smart Ship order during that month was at least 55 BV, they would receive their following months Smart Ship order up to 55 BV for FREE. There are no commissions paid on free products earned.

Getting FastStart Qualified

2 DIFFERENT WAYS TO QUALIFY

Getting FastStart qualified earns you 3X the Direct Sales Commission! Achieving FastStart qualification is a key first step when building your business in Kannaway. The FastStart program offers you the opportunity to earn triple Direct Sales Commissions (DSC's) on Value Packs sold to personal enrollments. This means you can earn 3 times the initial DSC on every first value pack you sell to a new customer or Brand Ambassador (BA) during your entire time in Kannaway.

1. ENROLL AS A BA

The only requirements to join Kannaway, you must be 18 years of age or older, and pay the Annual Brand Ambassador fee to maintain your account.

2. FULFILL YOUR PERSONAL VOLUME (PV) REQUIREMENT

3. FULFILL YOUR GROUP VOLUME (GV) REQUIREMENT

Option 1 allows you to fulfill your PV requirement for FastStart qualification by either purchasing or selling a Jr Executive FastStart Value Pack or higher. After that, enroll any combination of 3 BAs, Customers, or Preferred Customers, within 30 days; all of which either buy or sell any Value Pack. Increase the time you have to qualify by purchasing or selling the Senior Executive Value Pack, which increases your qualifying time to 45 days. If you want even more time, purchasing the Total Experience Value Pack will give you 60 days to meet your goal.

Option 2 allows you to fulfill your PV requirement by either buying or selling any value pack, and generating 3000 personally sponsored group volume within 4 levels, in 30 days. Remember, no more than 60% of that the EV requirement can be generated from one personal enrollment leg.

BRAND AMBASSADORS GET TO PARTICIPATE IN FASTSTART 3000

"Faststart 3000 & Faststart 9000 qualifiers are the heartbeat of the Kannaway business model."

Achieving Faststart 3000 status earns Brand Ambassadors up to \$1,000 in additional commissions paid over 2 months. To become Faststart 3000 qualified you must achieve the following:

- Become Faststart Qualified within your first 30, 45, or 60 days of becoming a Brand Ambassador.
- Generate at least 3,000 in cumulative EV (Elite Volume) within 4 levels in your first 60 Days with no more than 60% of the EV (Elite Volume) coming from 1 leg or team.
- Generate 110 in PV in both the 2nd and 3rd months of being a Brand Ambassador (days 31-60 & days 61-90).

** Sponsor placed Brand Ambassadors and their legs cannot be used to qualify a BA for Faststart 3000 Commission. Faststart 3000 Commission earned by a BA must be generated from BA's sponsored by the individual earning the Faststart 3000 Commission.*

BECOME Faststart 9000 Qualified AND EARN ADDITIONAL Commissions

- Become Faststart Qualified within your first 30, 45, or 60 days of becoming a Brand Ambassador.
- Generate 9,000 in cumulative Elite Volume (EV) within 5 levels during your first 90 days with not more than 60% coming from 1 leg or team.

Faststart 9000 qualifiers receive an additional \$1,000. Like the Faststart 3000, Faststart 9000 qualifiers must maintain a minimum of 110 PV in their 2nd and 3rd months, (days 31-60 & days 61-90) to earn the Faststart 9000 Commission. The \$1,000 Faststart 9000 Commission is paid over 2 months.

** Sponsor placed Brand Ambassadors and their legs cannot be used to qualify a BA for Faststart 9000 Commission. Faststart 9000 Commission earned by a BA must be generated from BA's sponsored by the individual earning the Faststart 9000 Commission.*

DIRECT SALES COMMISSION: [DSC]

A direct sales commission pays on every order from a new enrollment, during that new enrollments first 30 days. These commissions are 30% of the commissionable volume, paid to the immediate sponsor. For example, a 110 BV order, with a CV of 55, will produce a DSC of \$16.50.

Kannaway also offers Value Packages to both customers and Brand Ambassadors who are interested in saving money. Kannaway pays a special DSC on the first Kannaway Value Pack purchase. The commissions paid on Kannaway Value Pack are listed in the chart below. Any future purchases of Kannaway Value Packs will pay based on the assigned CV through the residual portion of the compensation plan.

The DSC Matching Commissions is paid on the entire DSC earned even if it is a triple DSC. The 50% DSC Check Matching Commission is split and paid as follows.

20% is paid to the enrollees sponsor and 30% is split between leadership rank codes and 7 levels of upline team members (following the sponsor tree) as shown in the charts below:

For example: If you are the sponsor of the BA earning a DSC of \$60, you will be paid 20% of the entire DSC, \$12. If, you are the level 4 upline, you will be paid 2.5% of the total DSC, \$1.50.*

10 LEVELS OF RESIDUAL TEAM OVERRIDE COMMISSIONS:

As a Kannaway Brand Ambassador, your focus will be on creating a Retail and Preferred Customer base as well as building a team of Brand Ambassadors. As you progress through the Kannaway compensation program, you will earn increased Team Override commissions from the product, energy and solar sales generated throughout your sales organization.

Kannaway utilizes a "Unilevel" structure for our Team Override commissions. Meaning, every Brand Ambassador will be automatically placed on their sponsor's first level unless their sponsor chooses to place them under a Brand Ambassador on their team. [Placement is an advanced organizational strategy. Ask your Team Leader for advice on the best strategy for building your Kannaway business.]

The higher rank you achieve, the more levels you can earn commissions. The Kannaway compensation plan uses "compression" to allow Brand Ambassadors to earn on sales originating down deeper within their organization if someone in the organizational tree is inactive. This means any Customer or Brand Ambassador volume that is not generated from an active Brand Ambassador will "compress" and be counted within the volume of the level immediately above.

Unilevel Placement Tree

RANK INFINITY Commission

The Rank Infinity Commission allows Brand Ambassadors who have achieved the Paid As Rank of Executive Director / Area Director / Regional Director / Regional Director Elite / National Director / National Director Elite / International Director / International Director Elite / Vice Presidential Director / Vice Presidential Director Elite / Presidential Director / Presidential Director Elite & Crown Ambassador / Crown Ambassador Elite to start earning a 1% commission on all qualified sales starting on their 6th level through infinity on the sales organization they built. The Rank Infinity Commission pays a total of 15% of the CV through 2 generations, (7.5% on each generation) and is cumulative, meaning you can earn the total difference in Commission % between your rank and the rank of your team members.

As a qualified Executive Director you will start earning a 1% Commission on all sales starting with your 6th level through infinity, this is referred to as the 1st Generation Commission. You will earn the 1st Generation Commission down to the next qualified Executive Director in your Placement Tree Organization. At that point the new Executive Director will start earning the 1st Generation Infinity Commission on their organization and you will start earning the 2nd Generation 1% Infinity Commission on their organization. When a third Executive Director is encountered in the same organizational line of you will be blocked out, this is known as a breakaway and you stop earning the 2nd generation infinity Commission from that Executive Director and their organization. It's important to understand you will continue to earn the 1st generation & 2nd generation infinity Commission on the remainder of your organization as long as you have not encountered a third qualified Executive Director. In order to start earning the "Rank" Infinity Commission on the breakaway organization you will need to achieve the rank of Area Director at which time you will start earning the 1st generation Area Director commission.

Earning cumulative Rank Infinity commissions for multiple ranks is one of the exciting aspects of this commission, meaning you have the ability to earn the Commission % from more than 1 rank. As an example, if you were a qualified Crown Ambassador and had no Executive Directors or above in a specific leg you would receive the entire 1st generation Executive Director / Area Director / Regional Director / Regional Director Elite / National Director / National Director Elite / International Director / International Director Elite / Vice Presidential Director / Vice Presidential Director Elite / Presidential Director / Presidential Director Elite & Crown Ambassador / Crown Ambassador Elite Generational Infinity Commission for each rank (7.5%). As soon as a Brand Ambassador in that leg achieves the rank of Executive Director you will start earning the 2nd generation infinity Commission below your new Executive Director.

	Executive Director	Area Director	Regional Director/ Regional Director Elite	National Director/ National Director Elite	International Director/ International Director Elite	Vice Presidential Director/ Vice Presidential Director Elite	Presidential Director/ Presidential Director Elite	Crown Ambassador/ Crown Ambassador Elite	Double Crown Ambassador Elite

Rank Infinity 2nd Gen level 6 (ED) to 10 (PD) and Below	1% Inf	1% Inf	1% Inf	1% Inf	1% Inf	1% Inf	0.75% Inf	0.5% Inf	0.25% Inf

CODED INFINITY Commission

Like the Rank Infinity Commission, the Coded Infinity Commission allows Brand Ambassadors who have achieved the Paid As Rank of Executive Director to start earning it. It also pays 15% of the CV through 2 generations (7.5% on each generation) and is cumulative, meaning you can earn multiple coded infinity Commission's on the same team. For example if you have National Director, Regional Director and Area Director coding on an individual you would earn all those coded infinity Commission on that individuals team.

Once you achieve Executive Director you start earning the Coded Infinity Commission on the very next Brand Ambassador and their team you personally enroll. Unlike the Rank Infinity Commission, your coded team members don't breakaway from you. Once they are coded to you they remain coded as long as they remain active in Kannaway, no matter how large or how many levels their team grows. Another exciting feature of the Coded Infinity Commission is you start earning the added Commission on level 1, which means you could increase your level 1 % override to as much as 9.5%.

Like the Rank Infinity Commission, the Coded Infinity Commission also has 2 generations of code Commission paid at each rank. The major difference is with the coded Commission their entire team does NOT breakaway from you once a 2nd BA achieves your same rank. That means your commissions shouldn't reduce, in fact if you've built a growing healthy organization they will continue to grow and so will the coded Commission portion of your check.

As you continue to achieve higher ranks in Kannaway you start earning that ranks Coded Infinity Commission with the very next person you personally enroll. Like the Rank Infinity commissions, the Coded Infinity Commission allows you to accumulate your coded commissions for multiple ranks, meaning you have the ability to earn the Commission % from more then 1 rank.

As an example if you were a qualified Crown Ambassador you would receive the entire 1st generation Coded Infinity Commission for each rank Executive Director / Area Director / Regional Director / Regional Director Elite / National Director / National Director Elite / International Director / International Director Elite / Vice Presidential Director / Vice Presidential Director Elite / Presidential Director / Presidential Director Elite & Crown Ambassador / Crown Ambassador Elite (7.5%) on all sales made by your newly enrolled Brand Ambassador and their entire organization starting with their level.

	Executive Director	Area Director	Regional Director/ Regional Director Elite	National Director/ National Director Elite	International Director/ International Director Elite	Vice Presidential Director/ Vice Presidential Director Elite	Presidential Director/ Presidential Director Elite	Crown Ambassador/ Crown Ambassador Elite	Double Crown Ambassador Elite
Coded Infinity 1st Gen level 6 (ED) to 10 (PD) and Below	1%	1%	1%	1%	1%	1%	0.75%	0.5%	0.25%
Coded Infinity 2nd Gen level 6 (ED) to 10 (PD) and Below	1%	1%	1%	1%	1%	1%	0.75%	0.5%	0.25%

LIFESTYLE COMMISSION

The Kannaway Lifestyle Commission can be earned when you achieve the Rank of Area Director and above and maintain it for one month. Commission will be paid on month 3.

The Lifestyle Commission pays the following commissions based on rank monthly the following month after achieving the rank and maintaining the rank (2nd month), lifestyle Commission is paid monthly on residual commission checks on month 3.

Area Director	Regional Director/ Regional Director Elite	National Director/ National Director Elite	International Director/ International Director Elite	Vice Presidential Direc- tor/Vice Presidential Director Elite	Presidential Director/ Presidential Director Elite	Crown Ambassador/ Crown Ambassador Elite	Double Crown Amba- sador Elite

RANK ADVANCEMENT COMMISSION (RAC)

Rank Advancement commissions are designed to reward the new BA every step of the way as they achieve success and climb through the ranks of the compensation plan. We even double the RAC Commission if ranks are achieved faster.

We offer Rank Advancement commissions at the following ranks: Executive Director, Area Director, Regional Director & National Director.

These ranks are pivotal positions in the compensation plan, as they are some of the first ranks where the BA begins to develop a group and while helping others within their organization to develop their group - the main requirement in becoming a Presidential Director. Rank advancement commissions act as a catalyst, providing motivation in starting this behavior. Please see chart below for rank advancement commissions.

To qualify for the Rank Advancement Commission, you must earn one of the below ranks and maintain the necessary PV for your rank. Rank Advancement Commission will be paid the following month after rank earned with monthly commissions.

Rank	Unlimited Time	Accelerated Time
Executive Director	\$250	\$500 (60 Days from start date)
Area Director	\$1,250	\$2,500 (120 Days from start date)
Regional Director Elite	\$2,500	\$5,000 (180 Days from start date)
National Director Elite	\$5,000	\$10,000 (270 Days from start date)

Note: Sponsor placed Brand Ambassadors and their legs cannot be used to qualify a BA for a Rank Advancement Commission. Rank Advancement commissions earned by a BA must be generated from BA's sponsored and their sponsored teams by the individual earning the Rank Advancement Commission, and abide by the same 60/40 leg split needed to obtain rank advancement.

Requirements

- Brand Ambassadors must maintain a minimum of 3 active, personally sponsored Brand Ambassadors in 3 separate legs who each maintain a minimum of 110 PV monthly to earn the Minimum Income Guarantee (MIG) Commission.
- Brand Ambassadors must also maintain 110 PV monthly to earn the MIG Commission.
- Brand Ambassadors must earn and maintain the rank of Executive Director/ Area Director/ Regional Director Elite/ National Director Elite/ International Director Elite/ Vice Presidential Director Elite / Presidential Director Elite & Crown Ambassador Elite to earn the MIG Commission.
- If ranked at Regional Director or above, but not Elite, you will be paid at AD or ED depending on your qualifications.

Details

The MIG Commission pays you the difference between your combined compensation and the MIG for your qualified rank that month. If your compensation is greater than the MIG no MIG is paid.

For example: If you earn the MIG qualified rank of Area Director on January 15th, February is your qualified month, as long as you maintain Area Director rank or above for the month of February. In February you earn \$2,000 in compensation, so your MIG Commission is \$500. \$500 is the difference between your MIG of \$2,500 and your earned compensation of \$2,000.

The MIG Commission is paid on the 15th of the month following the first complete calendar month after you achieve the MIG qualified rank. ALL commissions paid are counted as qualified income when calculating MIG.

For example: You achieve the MIG qualified rank of Area Director on January 15th. The first complete calendar month following your promotion is February. As long as you continue to be qualified at Area Director or above in February, your first Commission will be paid on March 15th with your monthly commission payment.

Continuing Example: If you are demoted from Area Director to ED during the month of February, your MIG for February is at the rank of ED, \$500.

All MIG commissions are paid monthly. Monthly MIG are as follows: ED=\$500, Area Director=\$2,500, Regional Director Elite=\$5,000, National Director Elite=\$8,333, International Director Elite=\$12,500, Vice Presidential Director Elite=\$20,833, Presidential Director Elite=\$41,666, Crown Ambassador Elite=\$83,333.

ORGANIZATIONAL STRUCTURE

Sponsor Tree

When a new Brand Ambassador is sponsored, they go into the Sponsor Tree as a Level 1, or "frontline," to the Brand Ambassador who sponsored them. Direct Sale Commissions (DSC), 50% Coded DSC Check Match, Team Override, and Coded Infinity commissions are paid based on the Sponsor Tree.

The Holding Tank (Sponsor Placement)

The Kannaway compensation plan allows the sponsoring Brand Ambassador the ability to sponsor a Brand Ambassador and place them under another Brand Ambassador on their team within 7 days from the date of enrollment. The sponsoring Brand Ambassador will still maintain sponsorship and will receive all sponsor commissions.

Placement Tree

1 Rule of Sponsor place:

- BA being placed has to be within 7 days of date sponsored (join date).

When a new Brand Ambassador is sponsored, they are automatically placed on their Sponsor's 1st level. However, at any time within the first 7 days of enrollment, the Sponsor may elect to place or move the enrolled Brand Ambassador under another Brand Ambassador in their organization as long as the BA placement is being done under a BA who has an earlier start date than the BA being placed. Placement is an advanced strategy that allows the sponsoring Brand Ambassador the opportunity to increase sales volume in an existing leg. Rank advancement, Team Override commissions and Rank Infinity Commission are all based on the BV in the Placement Tree.
