UNLIMITED INCOME OPPORTUNITY!

ONE OF THE MOST GENEROUS COMPENSATION PLANS IN THE INDUSTRY

90
FOR LIFE™
YOUNGEVITY®

WELCOME TO YOUNGEVITY®, THE PREMIER HOME BASED BUSINESS

To become one of the fastest growing companies in the industry today, not only does it take superior products and superior customer service, it takes a superior compensation system. Youngevity® pays its Distributors 10 different ways, and a minimum of 5 times per month! At Youngevity®, the hoops and the hurdles have been eliminated, making this compensation system the standard by which all others are measured.

WHY BUILD YOUR OWN YOUNGEVITY® BUSINESS?

At a time when Corporate America continues to limit growth and opportunity, Youngevity® is expanding opportunity. For more than 16 years, Youngevity® has been a pillar of strength for its Distributors and Customers. During that time, the product line has expanded, but the 90 for LIFE™ mission has remained the same. The global economy has ebbed and flowed, but Youngevity® has continued to grow and expand into global markets, eliminating borders and the barriers to Distributors' growth.

QUALIFICATION HAS NEVER BEEN SIMPLER!

Youngevity® prefers to keep Distributors focused on product sales and team growth rather than complicated qualification schematics. In this guide, you will find the entire compensation system, including all of the details of qualification. Just like Youngevity®'s state-of-the-art product line, the compensation system is powerful and refreshing! And YES, it really is that simple!

A SYSTEM WHERE EVERYONE CAN ACHIEVE MORE

At Youngevity®, everyone can achieve more. From free product to free cars, Youngevity®'s compensation system is about more than just money. In addition to the phenomenal commission checks that Youngevity® Distributors enjoy, there are amazing incentive packages such as dream vacations, cruises, SMC car allowances, Chairman Club Rings, Recognition Blazers, plus a completely FREE Corvette or Ferrari Dream Car. Our Distributors, and even our Customers can participate in the Healthy Body Challenge, where they can receive their products for free every month! You'll find the details on all of this and more inside. Welcome to your future... Welcome to Youngevity®!

GET PAID UP TO 10 WAYS!

As you progress within the Compensation Plan you'll gain more compensation opportunities—up to ten different ways!

1. Retail Profits
2. Unilevel Commissions / Residual Income
3. CEO Leadership Coding Bonuses
4. Fast Start Bonuses
5. Quick Start Bonuses
6. Infinity Leadership Bonuses
7. Monthly Silver Mercedes Car Bonuses
8. Dream Car Award Program
9. Revenue Sharing
10. Stock Option Rewards Program

MONTHLY RESIDUAL COMPENSATION PLAN

Youngevity® has a long term income plan for you! Our Monthly Residual Compensation will pay you between 5% and 8% of your Personal and Group Bonus Volume on up to 8 levels of your Downline organization! As you move up in rank, not only do you get paid on more levels, but the amount per level can increase as well! This is where the true advantage of our compensation plan and leverage comes into focus.

For example: If you personally enrolled only three Distributors on level one who, in turn, did the same through 8 levels... You would have 9,840 IMD's in your pay structure. This truly separates you from the norm in Corporate America – where people are just trading their time for money. Think about this: In this example, you only did the work to develop three Distributors – if they duplicate your efforts, and those efforts compound, you can get paid on 9,840 people's efforts! This could mean life changing income for you and all of the Distributors in your organization!

CEO FAST START BONUS

You will receive a \$100 Fast Start Bonus for any personally enrolled Distributor who purchases any CEO Product and Training Package.

These Bonuses are paid weekly, and are payable following the purchase of a CEO Product and Training package, whether your enrolled Distributor purchases package upon enrollment or at a later date.

As with all commissions, you must be a qualified distributor in good standing, but you do not have to be CEO qualified yourself in order to receive CEO Fast Start Bonuses.

30% QUICK START BONUS

You will receive a Quick Start Bonus totaling up to 30% of the Bonus Volume (up to a maximum of 750BV) of new Enrollee's product purchases during their first 30 days as a Preferred Customer or Distributor! This Bonus replaces your normal level 1 residual compensation that you would otherwise qualify for during the bonus period.*

To qualify for this weekly Quick Start Bonus, you must be a qualified IMD or above in good standing, and you must also have an active Auto-Ship profile with a minimum 100 Personal Qualifying Volume.

* Total is comprised of a 26% bonus plus 50% of normal residual commissions that would otherwise be qualified for. 26% component follows lines of enrollment, whereas balance of bonus follows lines of placement. All Upline residual and infinity bonus commissions will be paid at 50% of normal levels for volume upon which Quick Start Bonuses are paid.
