Welcome to the Zilis Opportunity

Freedom! It feels good to say it, and even better to experience it. Freedom comes in the form of financial freedom, time freedom and more. Our goal is to support you in creating freedom in whatever ways you desire.

Unlike most company owners, I have decades of experience as an Independent Distributor. I know firsthand the hard work and dedication it takes to be successful in the Direct Sales industry. In fact, my own personal experience was the main inspiration behind the design of our **Career Path compensation plan**. Our goal from the start was to create a platform that would meet every Ambassador's needs and alleviate the hurdles direct selling professionals face. I believe it is my job as CEO to "fill the potholes" and "remove the speed bumps" from your road to success. This belief is woven into every aspect of the Zilis opportunity.

Our plan not only clears a career path for you, but also offers a unique, "Amazon-style" model combining unlimited financial potential, stable residual income and full-blown benefits in one powerful opportunity.

All of this is capped off by our unique **Pay It Forward Nutrition Program**. Imagine the satisfaction of knowing you're building a business to provide for your own family, while simultaneously touching the lives of children across the world. This is the power of Zilis.

The road to freedom begins here, within these pages. It is my wish that your journey be filled with prosperity, success and fulfillment.

Therefore

There

Pay It Forward.

No three words invoke more feelings of possibility. We invite you on the journey.

The Zilis Career Path

The success of our Ambassadors is our priority, and we have built our entire company around this philosophy. This reflects strongly in our uniquely designed Career Path. We offer a true 360° compensation plan with seven ways to get paid by building a loyal customer base. By combining the most powerful direct sales structures into one plan, we have created a strong recipe for our Ambassadors to achieve success. This seamless, unlimited plan recognizes our Ambassadors as true partners in the business and gives them the potential to build a global business as the company expands into new international markets.

Pay It Forward

Our Ambassadors know that each order not only generates tremendous financial potential, but also helps change lives through the Pay It Forward Nutrition Program. For every dollar of business volume, Zilis provides a daily supply of complete nutrition to a child in need. Our five-year goal through this program is to reach one million children a day. Together, we can make this goal a reality. It all happens when our Ambassadors build their business and pave a road to freedom with the compensation plan.

No Compromise

Never sacrifice integrity for growth! This "no compromise" philosophy applies to our amazing products and our entire way of doing business. Zilis is committed to the long-term, so we take best practices seriously. That's why your career path is based on a foundation of loyal retail customers. Our "one-stop shop" model provides your customers with one convenient location for all of their wellness needs. Unlike many overpriced direct sales programs, Zilis products are offered at affordable prices. The result is a long-term residual income resulting from customers who purchase through you time and again.

The Future

With our unique consumer-direct model, we have designed one of the most rewarding opportunities in the industry. Our brand provides better solutions in areas where people are already spending money on their lifestyle needs.

Over the coming years, we intend to use our unique business model to build the largest health and wellness company on earth.

Choosing Your Enrollment & Autoship

The first step in the enrollment process is choosing your pack. Zilis offers multiple enrollment options to meet every budget and goal. You should begin by asking two important questions. First, which products do I want for my own personal use? Second, which products do I want to sell, show and demonstrate to prospective customers and Ambassadors? Your goals will help you determine which enrollment pack is the best choice. In addition to selecting an initial order, each Ambassador should consider the products you want to have on autoship. While not required, autoship provides tremendous benefits.

The most important component of autoship is ensuring you have the products you need to sample, sell, show and demonstrate. It is important to note that purchasing products is never required for an Ambassador to qualify for compensation. As always, Zilis contributes nutrition to children in need with every sale, including an Ambassador's autoship.

Your Future as an Independent Ambassador

The Zilis Cloud

Zilis has invested in our proprietary Cloud technology to offer Ambassadors the most efficient business system in the industry. We offer Ambassadors two choices for their Cloud business management system.

The basic Cloud provides Ambassadors with standard access and features. This platform is designed primarily for those that want to focus on enrolling customers. It is generally not designed for team builders. This system is free to all active Ambassadors.

The Pro Cloud gives Ambassadors full access to our system and is designed for those who want to build a large organization of other Ambassadors. This sophisticated and advanced back office system uses cutting-edge technology to provide Ambassadors with analytics, marketing tools and other features to assist in growing and managing their Zilis business.

To assist our Ambassadors in minimizing costs wherever possible, we waive the annual renewal fee for active Pro users.

Zilis is proud to offer the Pro Cloud service at an affordable \$29 per month.

Immediate Income

Retail Profit - PAID WEEKLY

All orders generated by your personally enrolled customers pay generous retail commissions up to 100%. Customers can choose to pay the regular retail price with one-time orders or receive discounted pricing by becoming a Preferred Customer and receiving an average of 50% savings off the retail price. All it takes to become a Preferred Customer is to have at least one commissionable product on autoship. Zilis products are consumable, so autoship offers a convenient way for customers to ensure they always have on hand the Zilis products they need.

QUALIFICATION: You must be an Ambassador in good standing during the period in which the customer purchase occurs.

Fast Start Bonus - PAID WEEKLY

Earn a lucrative Fast Start Bonus (FSB) when you personally enroll a new Ambassador with an optional product pack. FSBs are a tremendous opportunity to earn while training your organization to establish a solid product foundation on which to grow.

| FAST START BONUS | | | | | | |
|------------------|---------------|--|--|--|--|--|
| Pack | Enroller Paid | | | | | |
| Bronze | \$20 | | | | | |
| Silver | \$60 | | | | | |
| Gold | \$130 | | | | | |

QUALIFICATION: Sponsor must be an active Ambassador within the period in which the new enrollment occurs. Active is defined as having 50 Autoship PV or 75 other PV in the current or previous monthly period from your own and your retail customer's orders. Fast start bonuses will be forfeited if this requirement is not met.

Zilis products are consumable, so autoship offers a convenient way for customers to ensure they always have on hand the Zilis products they need.

Team Building

Binary Team Builder - PAID WEEKLY

This dynamic structure pays you up to \$25,000 a week, based on rank, for generating product sales to infinite generations. Every Ambassador has a placement tree with two sides, a left team and a right team.

Ambassadors enjoy a generous payout of up to 20% of the lesser side volume (LSV) from your left and right legs each week. BV is generated anytime a new Ambassador enrollment pack or upgrade is generated within your left or right team. In addition, you may qualify to store and carry over additional unused BV from your more dominant leg (also known as your stronger leg). Stored volume is limited to a maximum of one million points as discussed on the following page. Either of your binary teams can be considered a stronger or lesser leg during any bonus period.

QUALIFICATION: Earning potential is determined primarily by rank. For accelerated binary commissions, you must have 100 Autoship PV or 150 other PV in the current or previous period from your own and your customer's orders.

BINARY TEAM BUILDER DETAILS

- 1. Only BV from new Ambassador enrollment packs or upgrades is paid in the binary.
- A minimum of 300BV on each leg is required to generate a binary commission. When paid, an equal amount of BV is deducted from each leg.
- 3. Stored volume requirements apply. After any maximum weekly payout is met (per rank definitions) within a bonus period, any unused lesser leg volume will be reset to zero and will not carry over into the next bonus period.
- 4. All lesser leg BV must be sponsor tree volume. Any BV placed under an Ambassador's historically lesser leg by their upline is strictly prohibited. This is specifically designed to prevent manipulation of the Binary and does not apply to naturally fluctuating stronger/lesser legs.

DOUBLE

DIAMOND

TRIPLE

DIAMOND

Stored Volume

As outlined below, an active Ambassador may store and carry over up to one million BV in their strong leg.

Stored volume acts like rollover minutes on a cell phone plan. Even though the volume may have been generated months prior, if volume is stored, it may be used for commission purposes later. Maintaining stored volume gives Ambassadors the ultimate flexibility. Volume requirements for storing volume may come from an Ambassador's personal or customer orders.

| Monthly Personal Volume Requirements to Store | | | | | | |
|---|--------|--|--|--|--|--|
| Autoship PV | 100 BV | | | | | |
| Other PV | 150 BV | | | | | |

Infinity Fast Start - PAID WEEKLY

Earn lucrative Infinity Fast Start Bonuses as new Ambassadors enter your leadership organization(s) with an enrollment pack. It is essential that new Ambassadors have a reasonable amount of product to use, sell, show and demo to facilitate customer acquisition. This bonus rewards you for working in depth within your organization and creating product duplication and customer acquisition efforts by your team.

You are eligible for Infinity Fast Start bonuses on all directly coded Ambassadors who join your leadership teams. You are encouraged to continue personally enrolling, so it is possible to earn multiple Infinity Fast Start rank bonuses simultaneously.

The larger your leadership teams grow; the more infinity fast starts you can earn!

ADDITIONAL DETAILS

- 1. You must achieve the rank in question in the previous or current calendar month prior to the close of the weekly pay period in question to qualify for IFS earnings. If you are not qualified at the time the IFS bonus is run, the bonus will be forfeited and purged.
- Ambassadors who rank advance immediately qualify for IFS earnings in the week in which they rank advance.
- 3. New enrollees must have total active autoship profile(s) of at least 50 PV during the weekly period in which they have enrolled for IFS bonuses to pay. This volume may be from an Ambassador's personal profile or from the enrolling Ambassador's personal customer(s). If this requirement is not met, IFS bonuses will be forfeited and purged.

Long Term Residual Generational Bonus-PAID MONTHLY

The foundation of your residual income is the Generational Bonus. When you build a solid Ambassador and customer base, you're creating a pipeline of monthly residual income for your family. Qualify to earn each month on all product volume generated up to six generations of your organization. The best part is that your own rank, not those of your downline organization, determines the number of generations you qualify to earn on.

GENERATIONAL BONUS DETAILS

- 1. GBs are paid on all sponsor tree volume excluding join packs.
- 2. Percentages are calculated based upon the qualifying volume and the generation from which the volume originates.
- 3. Minimum qualifications are verified on the fifth day of each new month before GBs for the previous month are paid on the 15th. If you do not meet the required qualification for a particular generation at the time verification is run, the GB will be forfeited and purged.

| Generation | Associate | Community | City | Area | Regional | National |
|------------|-----------|-----------|------|------|----------|----------|
| 1 | 5% | 5% | 5% | 5% | 5% | 5% |
| 2 | | 5% | 5% | 5% | 5% | 5% |
| 3 | | | 5% | 5% | 5% | 5% |
| 4 | | | | 4% | 4% | 4% |
| 5 | | | | | 3% | 3% |
| 6 | | | | | | 2% |

IRB

Infinity Residual Bonus - PAID MONTHLY

This component is one of the most exciting highlights in the Zilis compensation plan. Earn monthly bonuses of up to 9% on the total generational volume produced within your designated leadership teams each month. Infinity Residuals (IRBs) are paid on all sponsor tree volume, excluding Ambassador starter packs. The more product sold by your teams, the more you'll earn. Since the IRB is not capped and pays through unlimited generations, they are endless.

ADDITIONAL DETAILS

- 1. To earn, you must have achieved or re-qualify for the leadership level in question each calendar month.
- 2. Minimum requirements for the previous calendar month are verified on the fifth day of each new month. IRBs are calculated and paid for the previous month on the 15th.
- 3. If you are titled at a lifetime rank higher than your actual earned rank in the previous calendar month, IRBs for the unqualified rank will be forfeited and purged.

Infinity Matching Bonus-PAID MONTHLY

Qualify for lifetime Infinity Matching Bonuses on all personally sponsored Ambassadors at equal leadership rank. The more you personally enroll and the more success you generate within your team, the higher matching you earn. All Ambassadors qualify for 10% Infinity Matching Bonus beginning at Area Ambassador. IMBs go up to 40% at Presidential.

| Rank | IRB Match |
|--------------|-----------|
| Area | 10% |
| Regional | 20% |
| National | 30% |
| Presidential | 40% |

SPECIAL ACCELERATED MATCHING OPPORTUNITY

Leap forward with a Gold pack. All new enrollees with a Gold pack receive 20% matching potential on all personally enrolled Ambassadors for life. This incentive encourages you to personally sponsor quality and quantity, all the while supporting them in becoming successful.

INFINITY MATCHING BONUS DETAILS

- 1. You must be qualified at the rank from which you desire to earn IMBs. If the sponsor is not qualified at the same level as their personally enrolled Ambassador, matching is adjusted to the include the IRB earned at the highest level the sponsor is currently qualified.
- 2. Due to the extreme payout potential of IMBs, Zilis requires the sponsor to earn equivalent rank as their personals within certain time frames. The sponsor must achieve Area within twelve months, Regional within eighteen months and National within twenty-four months from the initial promotion date of any personally sponsored Ambassador. If the sponsor does not qualify at the equivalent rank within these time frames matching bonuses for the individual Ambassador rank in question are permanently forfeited.
- 3. Matching bonus rights are non-transferable and non-sellable.

Our "No Compromise" philosophy applies to our entire way of doing business. Zilis is committed to the long-term and we take best practices seriously.

Two percent of all generational volume is shared by qualified Regionals, Nationals and Presidentials. Earnings are paid in direct proportion to the overall contribution of your sponsor tree team.

Ambassador Ranks

To help you accomplish your goals, Zilis has established a very simple and easy-to-follow system of achievement ranks. Ambassadors have a "qualified" rank within the current bonus period, as well as their highest "lifetime" rank in the last 12 months. All commissions are calculated based upon "paid-as/qualified" rank.

FAST TRACK QUALIFICATION

All ranks are eligible for a special fast track rank advancement time line. This time line calculates requirements from a new Ambassador's start date + 30 days + End of Period, which is the first Saturday after your 30th day.

Important Information

All ranks requirements must be met within the same calendar month, except for the fast track. Fast track requirements must be met within an Ambassador's first 30 days plus end of the weekly period in which the 30th day falls. In every case, an Ambassador must achieve the previous rank before promoting to a higher rank. Percentage (%) rules are defined as the maximum amount of volume that may be counted toward rank from any one enrollment team or leg. All Ambassadors are paid on their current qualified rank.
