What is Kyäni?

Kyäni®, Inc., founded in 2006, is a global network marketing company based in Idaho Falls, Idaho, USA. From our beginnings, Kyäni has been the globally recognized pioneer of the antioxidant movement by being the first to recognize the efficacy of the Wild Alaskan Blueberry. Since then, we have grown into the world's leading provider of supplements that increase Nitric Oxide production in the human body, and the largest provider of tocotrienols—the most potent form of Vitamin E available. With our selection of core products, which include The Triangle of Health®, Fleuresse® skin care products, and powerful Protein Nutritionals, Kyäni harnesses the power and potency of wild and natural ingredients to lead the way in increasing and improving overall health and wellness through proper nutrition.

With our value rooted in unrivaled, wild-sourced nutritional supplements, Kyäni is able to offer an aggressive compensation plan for our Business Partners, which includes the opportunity to earn Dream Cars, vacations to exotic locations, and the potential for substantial personal earnings. How can I be a part of the Kyäni family?

- I. **Become a Customer:** In the U.S., 25.7% of the Kyäni family are Customers who purchase products at retail prices to support healthy living for themselves and their family. They don't refer other Customers and they aren't interested in earning commissions and bonuses on sales volume from people they might refer to Kyäni. They simply love the products!
- II. **Become a Kyäni Advocate and Take Advantage of Discounted Pricing:** 64.5% of Kyäni U.S. Customers take advantage of preferred or wholesale pricing for the Kyäni products they love, but they aren't necessarily interested in the financial opportunities presented in Kyäni's Global Compensation Plan. They either sign up as a Preferred Customer (with AutoShip) or they become a Kyäni Independent Business Partner primarily for the purpose of getting wholesale pricing on the products they love. They may refer a friend or family member to Kyäni from time to time, but most will never build an independent Kyäni business.
- III. **Build a Business and Change Lives:** 9.8% of the Kyäni U.S. family believe in the products so much that they commit to build a business as a Kyäni Independent Business Partner. These Business Builders³ not only buy Kyäni products for themselves, but they earn sales commissions and bonuses for their Customer sales and the sales of those they sponsor.

What should I know about Kyäni's business opportunity?

Start a Business with Minimal Investment: There are no required purchases to become a Kyäni Independent Business Partner, other than a one-time Kyäni Business License (\$89.00). There is no need to buy inventory, because Kyäni fulfills the orders made by the Customers and Business Partners in your organization.

Opportunities for Growth: Kyäni offers a variety of sales materials, online tools, and training opportunities, as well as bundled product packages at discounted prices, including Starter Packs and Business Builder kits, to help get your business started.²

You can Earn Commissions: You can earn commissions and bonuses under the Kyäni Global Compensation Plan for actual purchases made by Customers you refer or other Business Partners sponsored in your sales organization. You cannot earn money solely by recruiting or sponsoring someone.

- Most of our Active Business Partners work part-time and refer or sponsor people they know as a way to make a little extra money.
- Some work very hard, even full-time, to build their business, with much greater earning potential.

Success Isn't Guaranteed: Kyäni offers great products, but building a successful Kyäni business requires hard work, skill, and time. Kyäni can't guarantee that you will earn money, and some Kyäni Business Partners will succeed and some won't.

Cancellation & Returns: You can cancel as an Independent Business Partner at any time. Kyäni will repurchase any currently marketable products purchased from Kyäni in the preceding twelve months at 90% of the purchase price paid, less shipping and handling costs.
