

# Residual Income

You are here: [Home](#) [Opportunity](#) [Residual Income](#)

When you build a business organization by sponsoring others into the program you can earn a percentage of the commissionable sales volume of all the Autoship Program and Associate distributors in that organization. This plan was designed to benefit both the part-time and full-time distributor. That is why the larger commission is at both the 1st and 6th levels. You can earn residual income based on the retail sales of your entire organization!

You can view our [compensation plan](#) for more information.
