Title	Points	Lines	Qualification	Contracts	Commission
<b>Gold Director Elite</b>	<b>Qualified as Gold Director</b>		<b>1 Gold Director in one line</b>	<b>300</b>	<b>5.5 %</b>
<b>Gold Director</b>	9000 4000 3000	3	per month	200	5.0 %
<b>Silver Director</b>	6000 3000 2000	3	per month	100	4.5 %
<b>Bronze Director</b>	4000 2000	2	per month	50	4.0 %

## Unilevel Bonus

With the Unilevel Bonus you start as a Distributor and receive points for each sale, from your own sales or from your whole organization's sales.

For every €2 in sales you get 1 point.

For example, for €100 in sales you get 50 points.

You qualify for a rank in the Unilevel plan on the achieved points in a certain period. The total points that you and your organization produce determines your rank.

### EXAMPLE

You achieve the rank of Bronze Supervisor (1% in direct commission) by earning 500 points. That is €1,000 in total group sales, means, your personal sales volume and also the one of your organisation. For this rank there is no time limit.

For the rank of Silver Supervisor you need 1,250 points in a one-month period. This can be achieved by personal sales volume or by organizational volume. All the points from your entire organization count.

## Unilevel Bonus

From the rank of Gold Supervisor to Gold Manager, the ranks must be achieved 3 times within 12 months to retain the Unilevel Bonus for life.

Each time the affiliate achieves the respective ranks, the qualifying rank income counts for that period.

From Bronze Director rank, points and sales are achieved monthly to get the commission. Once you reached Bronze Director, the lifetime rank of Gold Manager is guaranteed, even if this has not been confirmed 3 times.

In addition to the direct commissions on your affiliates, you receive the differential commission from the sales of your partners, but only if your rank is higher than any of your direct affiliate referrals.

For points, a month is measured from the 11th through the 10th of the following month and then reset.

Unilevel commissions are paid on or about the 1st of the next month. E.g. January 11th to February 10th is paid on March 2nd (the first business day following the 1<sup>st</sup> of month).

## Unilevel Bonus

To qualify for the director positions you need at least 2 or 3 direct lines (direct affiliates) and a certain number of sales per month.

### EXAMPLE

As a Bronze Director you need at least 2 lines where one line generates 4,000 points (€8,000 turnover) and the other line(s) or rather the rest of your organization generate 2,000 points (€4,000 turnover).

To qualify for the Gold Director Elite you need at least 3 lines, where one line generates at least 9,000 points, another line at least 4,000 points, and the third or rather the rest at least 3,000 points in a month.

Also required is at least 300 additional sales and a qualified Gold Director in your organization.

*A sale is any single purchase (of any amount) by someone in your organization other than purchases within your own account.*

## 2. Unilevel Generation Bonus

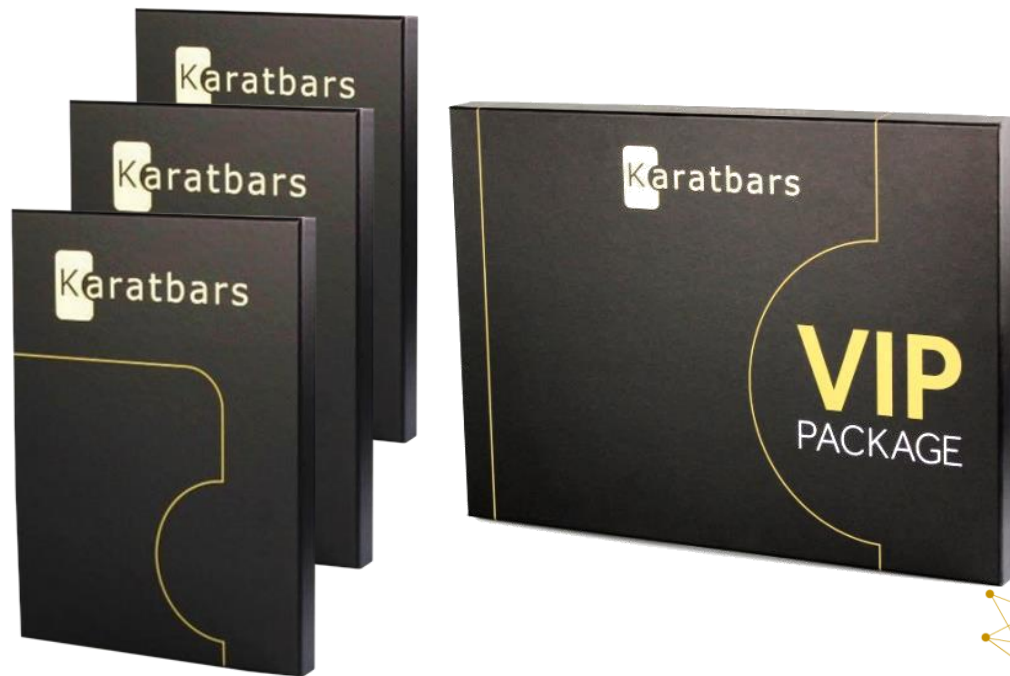

<b>GOLD DIRECTOR ELITE</b>	<b>1 Gold Director Elite in one line</b>	<b>5.75 %</b>
<b>GOLD DIRECTOR ELITE</b>	<b>2 Gold Director Elites in one line</b>	<b>5.90 %</b>
<b>GOLD DIRECTOR ELITE</b>	<b>3 Gold Director Elites in one line</b>	<b>6.00 %</b>

## 7. Auto Save – Getting paid in Gold and Cash

The amount of converted gold will depend on all of your pending commission– Unilevel and dual

- Pending Payout of more than €200 will result in the automatic purchase of 1 gram of Gold.
- Pending Payout of more than €1,000 will result in the automatic purchase of 2 grams of Gold.
- Pending Payout of more than €2,500 will result in the automatic purchase of 3 grams of Gold.
- Pending Payout of more than €4,000 will result in the automatic purchase of 4 grams of Gold.

### PLEASE NOTE:

Your personal monthly purchases will be taken into consideration. Meaning that if Autosave or you have already made a gold purchase of 1, 2, 3 or 4 grams in a month, there will be no additional automatic purchase, depending, of course, on how much you have earned. The Auto Save is calculated for 1 full calendar month.

If you have set your automatic monthly purchase to 1g of gold and the commission on your "pending payout" account is €2.500, then Auto Save will buy additional 2 grams of gold only.

The Auto Save System checks whether or not an automatic purchase is established and/or Autosave or you already have bought gold. Next, the system verifies your pending commissions.

The summary page shows your current status like this:

Your Account	
Pending Unilevel Payout:	€0.00
Pending Dual Payout:	€0.00
Dual Commission This Week:	€0.00

## Stage 2 Maximum Payout

A system for a secure and long-term future with unlimited depth (levels) to any individual affiliates down line.

Every Friday the system will calculate the maximum possible payout and then close the commissions for the week.

As the final stage the system will ONLY apply this adjustment if the commissions exceed the Maximum Product Payout (short: MPP) (previously described).

### EXAMPLE

Total weekly commissions earned: €120,000.  
The system will calculate the maximum payout of: €117,600 (as set by MPP limits).

The system reduces the gross commissions by 2% for the maximum payout limit in this example.

The Maximum Product Payout for all purchases will be calculated as followed:

Maximum Product Payout (MPP):	
Packages:	approx. 60% of the amount paid
Merchandising products:	approx. 30% of the amount paid
1 g Gold Karatbar:	approx. 17% of the amount paid
2.5 g Gold Karatbar:	approx. 16% of the amount paid
5 g Gold Karatbar:	approx. 15% of the amount paid
Branding Karatbar:	approx. 20% of the amount paid
Special Karatbar:	approx. 19% of the amount paid
