Lead Generation Mastery

Research has shown that it takes at least 7 times before someone buys from you. The chances of someone buying your offer the first time is relatively low. It takes time to build trust,

connection and make them see you as an authority. Imagine if you could follow up on the 98% and send them valuable content and help them with a problem and get them in your good books. There's a higher chance they will actually buy from you, right? Imagine if there's a way for you to keep in touch with the additional 98% of them. This is where lead generation comes in.
